

BREWSTER FINANCIAL PLANNING LLC

What is covered in your free consultation?

The free consultation is where:

1. We establish your specific goals
2. We get a general idea of the complexity of your situation
3. We determine the appropriate scope of an engagement
4. We formulate an estimated fee for the engagement

How long will the initial free consultation last?

Generally it will take between 20 minutes to an hour. The meeting can either be a conference call or a face to face meeting.

Is there any further obligation after the free consultation?

No.
